### **Introduction**

This book is truly written for those of you who are Christians that are focused on your call/assignment and sense the unctioing of God for understanding concerning the “faith level” that you are experiencing.

*Upside Him* is a term I use for those whose lives look like it has been turned upside down or out of order. It looks as if the life of this person has been shipwrecked. Their normal has become displaced and yet at the same time the person experiences the peace of God and still declares the Word of God in the midst of earthly confusion. Their life is in Him while it appears their life is being turned upside down. Now they are “upside Him”.

*Enjoy reading this book.*

### **Chapter One: Fifty Years of Learning**

---

I have walked this earth over fifty (50) years, and I have learned some phenomenal lessons that I want to share with those of you that are at the point in your destiny walk of wanting nothing less than what God has planned for you. One evening I was feeling a little discouraged about several things. It was as if in a second or a click of time, a sense of discouragement came. It felt like it came out of nowhere. Not dwelling on any issue or concern when this feeling came upon me. Within the next seconds encouragement from God came and overtook the spirit of discouragement and it was as if God himself opened a book to tell me some things concerning what I was going through and where I was going. Some of that revelation I will share with you.

When God calls or unctions you to come unto Him the

scripture in Matthew 22:14 which states “many are called but few are chosen” becomes in full effect in everyone’s life. Those who answer the call of God choose to walk a life through Jesus Christ. will all go through levels of “faith” processes. Just as a baby grows to adulthood we also grow into the things of God. Those that are at the level of “tried faith” are at a place past believing that God is, or believing for things. Tried faith is for those who have a sense of a deeper knowing of the things of God. It is past what you see in the natural.

God is the ONE who allows your faith to be tried at this level because you are being prepared to walk into and be accountable for something you have not seen or done before and your family and friends have not seen it or done it either. You are going to “pioneer” something of great purpose. If you have been through a fire storm or great spiritual, financial and possibly a physical battle with your health or the like you may be going through the process of the “trying of your faith”.

### **Chapter Two: That Level of Faith**

When God brings you to this level of faith it is God who brings you, it is God who allows the testing, and it is God who will deliver and it is God who will get the glory. At this level of faith every area in your life will be tried. The most challenging part of this process is the unseen or the spiritual battle which takes places that no one can understand or help you through the process but God. You may look good on the outside but many will not know that you are going through one of the greatest battles of your life!

At this stage you are leaning into the Lord like you have never known before. You are seeing and hearing like never before while on the outside and to the appearance of others your life may look broken, disrupted and distressed. *God is so wise that He has allowed it to appear this way so that you could begin to live “Upside Him”.* When everything

appears to turn upside down according to the world's standard God takes you to a place of understanding of why you are where you are. He will then begin to allow you to go through your emotional process of crying, asking why, begging to get out of this season and THEN His revelation will come and you will know that it is God allowing you to be made or in other words you are in the process of becoming. At this level of faith your emotions have nothing to do with anything. You are becoming what you are assigned to this earth to do. Your hearing is sharpened and your vision is in alignment with God. At this stage of faith, you are carried by the “Word of God” only.

### **Chapter Three: Noah’s Focus**

Can you imagine how Noah felt when he got the word to build the Ark and no one around him understood what was ahead! He was pioneering something that has NEVER been seen before. It was way out of the box to explain at that present time. For a season he must have been mocked, reproach became his friend and more than likely even his family must have had pre-intervention meetings concerning his thinking. It didn’t matter what the people thought because God’s plans were still going to take place. If it was a 5-year project where the people could see instant progress maybe that would have made it easier on Noah but nevertheless God’s plans were still going to take place.

Just like some of you who have heard the Word that has prophetically moved you into your assignment and may not have seen an instantaneous manifestation, you can’t rest until you do what God has given you to do....so

keep moving.

### **Chapter Four: Requirements Needed**

This type of faith level requires you to do some things. For the sake of the reading I just want to list some of this things for you to think on:

- Don't Quit
- Stop praying about your instability (finances, family, etc.).. pray about your assignment. Ask God to put you in an open heaven and to give you wisdom to operate into something divinely birthed.
- Believe EVERYTHING you hear God speak (not what you want but what God speaks) and you will accomplish something that has never happened before.
- Allow God to provide you with a fresh anointing to accomplish a greater work and stop fighting God with “doubt” in your heart.
- Prophecy (speak) everything that you sense God is saying to you. You don't have to speak it out to others but in your time alone you can speak the things that He has spoken to you.

The entire process of being “tried” is that you will NOT FAIL in accomplishing the assignment God has purposed you for. By the time you have been tried you will be void

of pride, arrogance, wanting YOUR success and wanting the approval of man.

You would have confronted your adversarial opponents, and you have confronted your flesh! NEXT you are ready to reveal, godly success and to hit the target of your purpose (s).

When you get here, your shame and your trouble will be turned upside RIGHT and you will walk into HIM (God) in a fullness that you would never have experienced unless your faith was tried!

### **Chapter Five: They Knew**

Job, Moses, Abraham, Joseph all knew how to live Upside Him. You will find that your thoughts and ways were not the thoughts and ways of God and your ways will be turned upside down and God will bring you to know Him in the right way.

Job stated something (Job 23:10) that is so appropriate for this level of faith which says, “But He knows the way that I take [He has concern for it, appreciates, and pays attention to it]. When He has tried me, I shall come forth as refined gold [pure and luminous].”

The sole purpose of this reading is to encourage those of you who are steadfast in the CALL of God and to let you know that there are processes of faith that we must go through. It will take the revelation of God to help you to know where you are. I sense that I am writing to many of you who are truly being led by God and it appears in the natural that nothing is working. Let me

**“When Your Life Is UPSIDE Him”**  
**When Your Normal Takes a Drastic Turn for Him**

assure you that everything is working on your behalf and  
not many days hence you shall see and know that the  
“trying of your faith” will reap AMAZING benefits for  
many lives because you stood the trial of your faith walk.  
I trust the Lord that an understanding will come to you and  
For an ease that shall restore and establish you. I too  
understand this walk. I will say on the mountain top....to  
God be ALL the Glory.  
Amen.
